CONNECT and COMMIT

SPACE
Create space to build groups supporting the change you want to see.

ATTITUDE
How you respond and feel impacts those around you and the change that results.

TIME
Give time to foster the needed relationships and development.

EFFECT CHANGE

ENGAGEMENT
Engage in and outside the classroom, in your workplace, and in your community to promote societal change and political will.

RESPONSIBILITY
What is my responsibility in effecting change? Do I need a team? How will we work together to effect change?

POWER
What is my power to work towards change? How will I use it? What are my limits? Whom do I need to support?

REFLECT and EVALUATE

SKILLS
What skills am I missing? Have I sharpened my skills but not engaged in the change?

GROWTH
Where am I in my conversations and willingness to influence what’s happening in my society? What can I do to continue to improve?
